

Multi-Functional Bukhari (Hamam Bukhari™)

**Multifunctional Bukhari will
serve you the following purposes**

Provisional Patent :

Title : A Multifunctional Space Heating Device (Hamam Bukhari) With Water Heating & Filtration
Application no : 202421074498

Description

- Reduces power consumption and space compared to the combined use of a regular Bukhari and Hamam water heater.
- Simultaneous space and water heating.
- Membrane-based water filter eliminates pathogens that cause waterborne diseases like diarrhea, cholera, and jaundice.

Specifications

- Capacity : 50L, 100L, 200L, 400L
- Variable Pipe Length : 5ft, 10ft, 15ft
- Power Consumption: 110W
- Max Temperature : 60 deg C

Installed Sites

- Karu
- Galwan
